

# Disposable - Protective Clothing

## Disposable coverall chemical protection Type 4B

Model:	9878
Colour:	white/orange
Art.-no.:	98711
Size:	S – XXXL
Retail unit:	45
Material:	spunbond -PE – laminate, microporous

### PPE category III chemical protection

### Product description:

- Excellent wearer comfort thanks to the breathable, light and flexible material
- Spray tight
- Resealable zipper flap and taped seams ensure optimum protection against penetration by liquid aerosols and solid particles
- Elasticated waistband for a good fit
- The hood is highly compatible with filtering face mask
- Middle finger loops prevent the sleeves from riding up e.g. work carried out above head height
- Certified for protection from pesticides in accordance with DIN 32781
- Free from silicone and substances that interfere with wetting agents
- Suitable for cleanroom environments Class 7 in accordance with ISO 14644-1
- Orange contrast colour for improved visibility

### Typical applications e.g.:

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>- Work with low-toxic inorganic chemicals</li> <li>- Low-pressure cleaning work and industrial cleaning</li> <li>- Ship and automotive construction</li> <li>- Work with varnishes and paints</li> <li>- Agriculture and horticulture (pesticide protection)</li> <li>- Pest control</li> </ul> | <ul style="list-style-type: none"> <li>- Electronics and cleanroom environments</li> <li>- Work with asbestos and dismantling</li> <li>- Remediation of contaminated sites</li> <li>- Pharmaceutical industry and laboratories</li> <li>- Sample collection</li> <li>- Livestock breeding and veterinary medicine</li> </ul> |
|--|--|
