

Material Data Sheet

Article No.	2573- 60
Application	Photo Paper
Print technologie	Inkjet
Basic weight	160 g/m ²

Product description		
glossy cast coated Specialpaper for photorealistic pictures elementar chlorfree (ECF), woodfree, white; oneside coated and printable suitable for all relevant Inkjet printer Quality level: Classic***		
Technical Parameter		
Thickness	ISO 534	195 ±15 µm
Whiteness	ISO 2470	≥100
Content		
Packaging	60 Sheets (DIN A4)	
Packaging		
Chromoduplexkarton (GD2), one-side coated with grey backside 400 g/m²		
Certificate		
ISO 14001 environment certificate		
Optimal Storage		
Room temperature ca. 23°C and relative humidity ca. 50%		
Waste disposal		
Papier / Karton	recycable
