

DCP COATED

Strong points

Sublimate your prints thanks to DCP Coated.
Top of the range, it is coated on both sides.

Thanks to its surface treatment, DCP Coated is the perfect solution for digital colour reproduction of posters, brochures, drawings and diagrams. A glossy printed result, perfectly sharp duplex printing and perfect colour restitution make DCP Coated the ideal solution for colour laser printing.

It is not suitable for inkjet printing.

DCP Coated is FSC certified and ISO 9706.
