

Technical data sheet 3486

Specification swivel chair

Dimensions in mm

Seat:	H:	415-540
	W:	460
	D:	420-540
Total:	H:	1350
	W (no ArmR)	460
	W (ArmR):	720
	D:	680

Packaging data	Weight:	kg	16,5
	Volume:	m³	0,15

Basic equipment

Benefit

Backrest	High, height adjustable. Shaped foam backrest with an individual design. 3D- backrest carrier and a foam density of 50 gr/dm³.	The backrest offers an optimum of support because of its 3-dimensional shaped backrest carrier. The backrest doesn't give way, like other standard foam parts. The high density of the foam ensures a long sitting comfort even if you sit more than three hours. The design elements give the chair a very elegant effect.
Seat	Shaped foam seat hollow and a density of 50 gr/dm³.	Better seating comfort for longer sitting term, as the higher density of the foam avoids to wear out the foam. In addition, it avoids the widening of the veins of the bottom and it encourages the circulation
Mechanic	Permanent contact. The backrest follows the movement of the back permanently, and ensures a steady support, the backrest can be stepless adjusted.	The back has a constant support and the stomach part is relieved. Consequently this avoids to be tensed up and the upright seating position is being supported. At the same time a homogene pressure distribution in the vertebra is achieved
Base	Polpropylene base in black	
Castors	hard double castors for soft floors	
Cover	Tec in different colours, high- quality, hard-wearing fabric cover, 100% polypropylene, 30.000 martindale, 230g/rfm Lucia in different colours, high- quality, hard- wearing fabric cover, 100% polypropylene, 100.000 martindale, 400g/rfm	
Headrest	Relieves the neck and shoulder muscles when you lean back. Office additional support and invites you to some occasional " gymnastics" at you desk.	
Adjustable lumbar support	Adjustable lumbar support.	
Pelvic support	When sitting upright, the rear of the sea pad has a raised section to support the spine and to relieve the muscles	
Warranty	3 years exchange warranty

Specification swivel chair

Dimensions in mm

Seat:	H:	415-540
	W:	460
	D:	420-540
Total:	H:	1350
	W (no ArmR)	460
	W (ArmR):	720
	D:	680

Packaging data	Weight:	kg	16,5
	Volume:	m³	0,15

Seat depth adjustment Allows you to alter the distance between the front edge of the seat and backrest

Seat inclination adjustment Allows the entire seat to be tilted by up to 4°. It supports active seating - this keeps the pelvis more upright and the spine retains its original "double-S" shape.
