

Auto+ 300M Micro Cut Shredder

2104300

Product Description

Spend 98% less time shredding, save time and money with Auto Feed shredders. This high security auto feed small office shredder is ideal for up to 10 users. The 300M shreds up to 350 sheets (70gsm) or 300 sheets (80gsm) automatically in to approx. 2,000 2x15mm pieces each (P-5) and provides sufficient security to shred highly confidential documents. With the Auto+ 300M shredder you do not need to stand and feed it, or even remove staples or paper clips first. It has an automatic feed and a 40 litre bin so you can load up to 350 A4 sheets and leave it to get on with the job.

Features

- Automatic Shredding
- Designed for small office use
- CD & credit card shredding
- Jam Free Clearance ensures that your shredder does not jam during the shredding process when you try to feed it too many sheets of paper.
- Power Saving Features
- Easy to empty 40 litre pull out bin with viewing window
- Shreds Credit Cards and CD's
- The Intelligent Power Save feature ensures that your shredder shuts off automatically after 2 minutes of non-use, which in return saves energy.
- Ultra quiet operation < 60 DbA
- Rexel's new Auto Feed range enables you to spend 98% less time shredding - saving you both time and money.
- Automated shredding up to 300 sheets in one go (staples & paperclips)
- 7 sheet manual bypass slot
- High Security
- A high P-5 security level reduces documents to 2x15mm micro cut pieces. High performance document destruction to protect against fraud and identity theft.
- 40 litre pull out frame with door & viewing window
- Bin full detection system
- Easy-Empty Bin
- The easy to empty 40 litre bin is capable of holding up to 500 sheets. This means that you have to empty it less often and can concentrate on your shredding duties.
- Thermal overload protection and cool down indicator
- Total Security
- Door open and bin full indicator
- Auto sleep mode; Auto wake mode
- The ability to shred both CDs and credit cards can prove to be vital considering the amount of sensitive information stored on them. This maximises protection and confidentiality.
- Jam-Free Technology
- Level P-5 cross cut 2 x 15mm. Auto & manual reverse to clear jams
