

Targus

USB-C to HDMI Adaptor - Nero

ACA933EUZ

Descrizione

Modern tech devices have ever fewer ports, allowing them to get smaller but restricting connectivity. Extend the connectivity of your USB-C device with the Targus HDMI Adaptor, an ideal accessory for mobile workers or to keep in meeting rooms. Simply connect and present your screen on any HDMI monitor, TV or projector using the USB-C port on your device, no additional drivers required. This adaptor supports 4K ultra-high definition video for maximum clarity. The slim design makes it ideal for business travel.

Caratteristiche

- Compatible with USB-C laptops & tablets: extend and present your device screen on HDMI monitors, TVs or projectors via the USB-C port
- Supports 4K Ultra-HD video at 60hz (3840 x 2160)
- Plug & play: no additional drivers required
- Slim & portable design
- 2-year Garanzia
