

USB 3.0 Dual Video Travel Docking Station

DOCK110EUZ

Description

Targus USB 3.0 Travel Dock is the perfect mobile accessory for your tech. Throw away all the cables and adapters you carry to connect your laptop, tablet or smartphone to projectors, screens and desk accessories and replace with the Travel Dock. Plug-in the USB 3.0 cable to your device and instantly extend your device ports to include HDMI, VGA, Gigabit Ethernet and additional USB 3.0 and micro USB ports. Create content more comfortably and connect your device up to 2 screens using HDMI and VGA connections or plug-in your tablet to a TV and enjoy 2k HD resolution over HDMI. The Travel Dock is USB powered so requires no external power source – the perfect travel accessory.

Features

- Powerful and compact docking station
- HDMI video port for 2k viewing (2560 x 1440 x 50 resolution)
- VGA video port (2048 x 1152 x 60 resolution)
- Gigabit Ethernet port
- USB 3.0 ports x2
- Micro USB port x1
- Micro USB power input for high powered devices including some printers and all-in-one scanners
