PRODUCT IMAGE:

MARKETING COPY:

With several surface options available, Bi-Office Exhibit display cases are resistant and durable solutions for displaying information indoors. Their large format and elegant frame will fit all spaces. The sliding doors make them ideal for corridors and narrow spaces.

APPLICATION AND SALES PROPOSITION:

- Ideal for presenting and safeguarding notices, warnings and other documents to be publicly known
- Ideal corridors and required for public buildings in some countries, namely schools
- Strong, secure and lightweight solution
- An excellent quality/price solution

TARGET MARKET:

CHANNEL: Office products and hardware wholesalers, office products and hardware stores, other retailers and building contractors

END USERS: private and public schools (from kindergarten to university), public buildings and public store buildings and corporate and public buildings in general

ADDITIONAL NOTES:

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

PROMOTIONAL TIPS:

Generally speaking, the best time to try to promote this product is before/ during tenders and right before the beginning of school year.
